U.S. Patent and Trademark Office Awards Patent to RGP Inc.

In December, the USPTO awarded a patent on the innovative and unique design of a backrest which RGP's utilizes in its Ergonomically Designed 400-D operator stool.

RGP's 400-D incorporates a unique, split back design providing increased support and air-flow while allowing for relief of spinal pressure. The unique design was awarded patent #D582,707 on December 16, 2008.

RGP Inc. manufactures and distributes the Swedish Seating System, with available articulating armrests used by medical and dental professionals world-wide. Visit RGP's web site at <http://www.rgpErgo.com>, or call 1-800-522-9695, or e-mail : sales@rgpErgo.com
